The Facility: Our banquet room is a semi-private room located in the rear of the restaurant, set in a modern contemporary style. The room can accommodate 25 people for a seated event and 30 people for a stand-up cocktail style event.

Amenities: Our tables are finished in a classic mahogany stain. Tablecloths are not necessary, but may be provided at cost if requested. Our standard napkin color is black, but a variety of colors are available. If you desire specialty colored linen, we will need one week's notice and additional cost may apply.

Booking/Deposit: We require a \$100 deposit in the form of a gift card purchase to reserve our banquet space. It will be applied in full as a payment toward your final bill. If for some reason you would need to cancel your reservation, we require five business days' notice or you will forfeit your deposit. Please note that we do not accept personal checks.

Parking: We have onsite parking in the rear of the building. There is no cost to park at this location.

Room Charge: Iron Hill does not charge a room fee for the use of our banquet space for guests who are purchasing food and beverages. The room may be reserved under the following guidelines:

Daytime Events (must be completed by 4 p.m.) are available for three-hour increments, starting with the arrival time. If you should need the room for a longer duration, there is an additional fee paid to the service staff of \$20.00 per hour for an additional two hours.

Evening Events (anything after 4 p.m.) are available for two-hour increments, starting with the arrival time. If you should need the room for a longer duration, there is an additional fee paid to the service staff of \$20.00 per hour for an additional two hours.

Service Fee or Gratuity: The gratuity assessed* is paid to the service staff as compensation for setup, food and beverage service and breakdown of the party or special event. None of the funds are retained by Iron Hill. Our standard staffing requirement is one server for every 15 guests. The service fee is as follows:

Daytime Events are \$60.00 per server or 18% of the bill, whichever is greater.

Evening Events are \$85.00 per server or 18% of the bill, whichever is greater.

Bartender Fee: \$35.00 recommended for parties greater than 40 people.

Server Guidelines: One Server – 20 guests or fewer

Two Servers – 21 to 30 guests

** Final service fee charges include a percentage of all food and beverage and any charges for additional hours of room usage.*

Guest Count: Upon scheduling your event, you will need to provide us with an approximate guest count. Should this number increase or decrease, please advise us at your earliest convenience. Iron Hill may need to change staffing arrangements, food orders or room configurations to properly prepare for the event. Final confirmed guest count is due no later than **noon, three days prior to the event.** Please note that the final charges will be based on the confirmed final count or actual number of guests served, whichever is greater. If you did not provide us with menu and beverage package choices at the time of booking, they will need to be confirmed ten days prior to the event. This allows the chef adequate time to source the related food products to prepare for your event. Parties larger than 15 guests will automatically be on one check.

Pre-Order Discount: For parties larger than 30 people, Iron Hill offers a discount of \$2 per person on our Lunch Menu, Dinner Menu, Premium Lunch Menu or Premium Dinner Menu if you are able to provide our event coordinator with a pre-order 48 hours in advance.

Outside Food and Beverages: Guests wishing to bring in a custom cake may do so as long as arrangements are made at the time of booking. If you are looking for a particular wine, champagne or specialty menu item, please inform our event planner and we will do our best to accommodate your request. Additional outside food or beverage items are not permitted.

Bar Packages

Tab Bar: Runs as one tab and may be added to the final bill or split out and paid on a separate bill. All charges are added to the bill upon order by your guests. Can be beer only or beer, wine & spirits.
